

HARDYS BAY COMMUNITY CLUB

Please Help!

Wagstaffe General Store is collecting donations

The recent COVID-19 situation has had a devastating impact on the club, so it is now up to the community to come to the rescue.

Money raised will be going towards restocking of the bar, working capital to pay creditors and urgent repairs and maintenance to present a refreshed club for the community.

The restaurant will be under new management with a revamped pub style menu.

Due to forced closure of the club for over 3 months, the following issues need attention:

- ☠ Remediation of the bar equipment.
- ☠ The Hardys Bay cockatoos are alive and well but unfortunately have feasted on much of the deck furniture which now needs to be replaced.
- ☠ The air conditioning is in dire need of resuscitation.

There is a lot to do, but with your help, we can get there!

Please help keep this venue alive for the locals and the Central Coast music community.

Donate directly at Wagstaffe Store OR
